

General Cardiologist with Premier Cardiovascular Practice

A wide-angle landscape photograph showing rolling hills in Marin County, California. The foreground is a lush green field, while the middle ground shows hills partially shrouded in a thick layer of white fog or low clouds. The sky is a pale, overcast grey.

At MarinHealth, we empower our providers to practice medicine the way it was meant to be – putting patients first. We are on a mission to create a culture of providers who enjoy collegiality and collaboration, and share our commitment to providing world class care, clinical excellence, and an exceptional patient experience. We offer a supportive environment, an exceptional staff, and beautiful locations in the heart of Marin, Napa, and Sonoma counties. We have a strategic alliance with UCSF Health, providing advanced care and special programs at MarinHealth Medical Center and all of the MarinHealth Medical Network clinics.

The Position

- Join a collegial, well-established network of primary care and specialty providers
- Employment through Cardiovascular Associates of Marin, the premier 21 physician single-specialty Cardiology group serving Marin, Sonoma and Napa Counties
- Full-time position, based in Marin or Petaluma
- Exciting growth opportunity with strong clinical, administrative, philanthropic, and marketing support
- Participate in call panel
- Epic electronic health record utilized
- Highly desirable, family-friendly communities

Qualifications for This Position

- M.D. or D.O.
- Applicants must be board-eligible or certified
- Open to experienced physicians or new grads
- Licensed or eligible for licensure in California
- Exhibit excellent communication skills and be able to develop strong relationships with patients, as well as sensitivity to cultural and linguistic differences
- Practice evidence-based medicine and possess a strong philosophy of excellence in patient care and excellence in the overall patient experience

General Cardiologist (Cont'd)

Cardiovascular Associates:

The group is currently comprised of 20 physicians and 4 Advanced Practitioners delivering all aspects of cardiovascular care including interventional cardiology; cardiac catheterization; cardiac electrophysiology; structural heart procedures, including TAVR and Left atrial appendage closure; cardiac surgery; cardiac rehab and wellness services; advanced cardiac imaging; sports cardiology; clinical research; and consultative cardiology.

The group's physicians are leaders in their fields and have received specialized training at some of the best medical schools and hospital institutions in the country. The practice has office locations across the North Bay including Larkspur, Novato, Sonoma, Petaluma, and Napa, and provides inpatient services at MarinHealth Medical Center, Novato Community Hospital, and Sonoma Valley Hospital. Due to increased demand, and program development and expansion, the group is seeking to add two more exceptional, board certified/eligible general Cardiologist to the team.

The North Bay: The Perfect Place to Live and Work

More than just a place, the North Bay is a state of mind. One that lives in all of us who love the land — and the lifestyle — available right out the front door. As often as we can, we walk, run, hike, bike, swim, or paddle, taking in the natural beauty of all that surrounds us. And somewhere between the beaches, the bay, the vineyards, and the redwood forests, we find balance, energy, and inspiration. Put simply, the North Bay is transformative and healing. It's a beautiful place you can call home.
