

OB/GYN Generalist Opportunity – Sonoma County

Just Across the Golden Gate Bridge from San Francisco!

At MarinHealth, we empower our providers to practice medicine the way it was meant to be — putting patients first. We bring a culture of collaboration with resources, support, technology, and state-of-the-art facilities which enable our physicians to remain focused on caring for people. We are an integrated healthcare enterprise made up of MarinHealth Medical Center and MarinHealth Medical Network. This collaboration has created an integrated, comprehensive healthcare resource all under the banner of MarinHealth. Physicians and providers work in partnership through a single electronic medical record that facilitates the coordination of care and fosters excellent communication between providers about their patients. Our strategic alliance with UCSF provides advanced care and special programs in the MarinHealth Medical Center, and all of the MarinHealth Medical Network clinics are also part of UCSF Health.

The Position

The MarinHealth Haynes Cardiovascular Institute, home to one of the most respected cardiac surgery programs in the region, is looking for an exceptional cardiac surgeon to join our expanding team. Each year, our cardiologists and surgeons care for thousands of patients who require virtually every type of heart surgery, including coronary artery bypass graft (CABG) surgery, aortic aneurysm, arrhythmias, heart failure, heart valve surgery, and more.

MarinHealth's mission is to create a culture of providers who enjoy collegiality, collaboration, and respect for equity, diversity, and inclusion. More than just a place, we are a community of like-minded people who love what we do! We offer a supportive environment, an exceptional staff, and beautiful locations in the heart of Marin, Napa, and Sonoma counties.

The Position

- Work with a well-established, highly regarded community-based OB/GYN practice, employed through Prima Medical Group.
- Highly desirable, family-friendly community of Petaluma.
- New state-of-the-art hospital in Greenbrae.
- Epic electronic health record utilized.
- Competitive compensation and excellent recruitment incentives.
- OB Hospitalist Program at MarinHealth Medical Center covers labor and delivery, Emergency Room, emergency gynecological surgery, and in-house gynecology consults.

- Generous recruitment incentives, including loan forgiveness.

The North Bay: The Perfect Place To Live And Work

More than just a place, the North Bay is a state of mind. One that lives in all of us who love the land — and the lifestyle — available right out the front door. As often as we can, we walk, run, hike, bike, swim, or paddle, taking in the natural beauty of all that surrounds us. And somewhere between the beaches, the bay, Mt. Tamalpais, and the redwood forests, we find balance, energy, and inspiration. Put simply, the North Bay is transformative and healing. It's a beautiful place you can call home. You can choose to live in San Francisco, Marin, or Sonoma County!
