MarinHealth Women's Care

MarinHealth offers comprehensive care for all women's healthcare needs, at every stage of life. The collaborative team consists of highly trained and experienced specialists including OB/GYNs, Gynecologists, UCSF Perinatologists and Neonatologists, Pediatricians, Urogynecologists, Gynecologic Oncologists, Certified Nurse Midwives, Certified Nurse Practitioners, and a dedicated team of obstetric and neonatal nurses. MarinHealth is proud to work with some of the Bay Area's most esteemed clinicians who have pioneered treatments and procedures for breast, gynecologic, and urologic cancers.

Through the MarinHealth OB/GYN UCSF Outpatient Clinics, dedicated providers care for women from adolescence and beyond, including "well woman" care, pregnancy, perimenopause, menopause, hormone replacement therapy and complex gynecological issues. They offer innovative technology for health screenings, including mammograms and bone density studies through our state-of-the-art breast health center facility.

MarinHealth Medical Center's Family Birth Center's patient-centric philosophy ensures OB patients have a safe, meaningful labor and delivery that meets both their healthcare needs and personal preferences. The maternity care team is the result of a thoughtful collaboration between obstetricians (OB/GYNs), midwives, and other childbirth professionals. In Fall of 2020, maternity services were relocated to the new Oak Pavilion in a beautifully appointed state-of-the-art space that has immediate access to all the monitoring equipment, technology, and specialists needed to keep mother and baby as safe as possible. There is a surgical suite and on-site team available 24/7 in the event a woman needs an emergency cesarean or other emergency OB/GYN-related services. Medically, the Family Birth Center has excellent outcomes. MarinHealth Medical Center has a Level II NICU.

MarinHealth Medical Center

MarinHealth Medical Center is a 327-bed independent hospital with deep roots in the community. Anchored by the new Oak Pavilion, a 260,000-square-foot, state-of-the-art hospital completed in 2020, is a full-service, acute care hospital, providing comprehensive care across all major service lines. The Level III trauma center and the emergency department receive 70% of Marin County's ambulance traffic and provide life-saving care for stroke and heart attack patients. In keeping with their commitment to treating the whole person –body, mind, and spirit— they also offer patients access to integrative therapies at their Integrative Wellness Center.

For additional information regarding MarinHealth Medical Center, please visit <https://www.mymarinhealth.org/>

MarinHealth Medical Network

MarinHealth Medical Network is the North Bay's gateway to comprehensive care, including access to more than 276 expert physicians and providers who care for patients at more than 55 clinics throughout Marin, Sonoma, and Napa Counties.
