

Orthopedic Trauma Surgeon Opportunity in Marin County - Just Minutes to San Francisco

A wide-angle landscape photograph of Marin County, California. The foreground shows a green field, while the middle ground is dominated by rolling hills and mountains partially shrouded in a thick layer of white fog or low clouds. The background shows a hazy view of the San Francisco Bay area under an overcast sky.

At MarinHealth, we empower our providers to practice medicine the way it was meant to be – putting patients first. We are on a mission to create a culture of providers who enjoy collegiality and collaboration, and share our commitment to providing world class care, clinical excellence, and an exceptional patient experience. We offer a supportive environment, an exceptional staff, and beautiful locations in the heart of Marin, Napa, and Sonoma counties. We have a strategic alliance with UCSF Health, providing advanced care and special programs at MarinHealth Medical Center and the MarinHealth Medical Network.

The Position

The MarinHealth Orthopedic Care | A UCSF Health Clinic is looking for an exceptional orthopedic trauma surgeon to join our expanding team. Each year, our orthopedic specialists care for thousands of patients, covering the full range of orthopedic care from prevention and diagnostics to treatment and rehabilitation. Our team is exceptionally collaborative and includes a team of 25 board-certified surgeons and advanced practitioners, along with specialized radiologists, physiatrists, physical and occupational therapists, and orthopedic navigators.

MarinHealth Medical Center is the only hospital to offer dedicated orthopedic trauma services in Marin County. Our dedicated team takes pride in offering the most advanced surgical techniques and has access to state-of-the-art equipment, devices, and new operating suites, with dedicated surgical block time. Our hospital campus has new towers including all private patient rooms and state-of-the-art operating and interventional suites, and we have an exceptional outpatient surgery center.

The North Bay: The Perfect Place to Live and Work

More than just a place, the North Bay is a state of mind. One that lives in all of us who love the land — and the lifestyle — available right out the front door. As often as we can, we walk, run, hike, bike, swim, or paddle, taking in the natural beauty of all that surrounds us. And somewhere between the beaches, the bay, the vineyards, and the redwood forests, we find balance, energy, and inspiration. Put simply, the North Bay is transformative and healing. It's a beautiful place you can call home.
